## Additional DDEC III part numbers available

Flight Diesel has added two more Detroit Diesel® Electronic Control (DDEC) modules to our extensive offering of remanufactured heavy duty engine controllers. Each module undergoes our thorough remanufacturing process.

- All units are tri-temperature and leak tested to eliminate quality concerns
- Units are 100% opened and resealed to eliminate quality concerns
- 100% replacement of the batteries on the DDEC ECU
- All memory is reset to default state
